1. Day

ISTANBUL - MADRID

We'll meet at the international departures terminal at Istanbul Airport three hours before our flight. After checking in our luggage, boarding, and going through security, we'll board our Turkish Airlines scheduled flight to Madrid, and upon arrival, we'll transfer to the private bus waiting for us at the airport. Our program begins with a panoramic city tour. During the tour, we will see some of the city's most vibrant squares, including Puerta del Sol, the historic Plaza Mayor, the city's main boulevard, Paseo de la Castellana, the world-famous Santiago Bernabéu Stadium, the bullring, Gran Vía, and Plaza de España. After the tour, we'll be transferred to our hotel, where you'll have free time. Overnight stay at our hotel.

2. Day

MADRID - TOLEDO - SEVILLE

Today, it is one of Spain's most important cities in terms of history and tourism, where people of the three major religions live together in peace. The Tagus River, the largest river on the Iberian Peninsula, flows through the city. It served as the capital of the Kingdom of Spain for a long time. As one of the world's largest medieval cities, it has been included in the UNESCO World Heritage List and placed under protection. Highlights include the San Martin Bridge, Damasquinos (Damascene work), and workshops and shops where gold craftsmanship is practiced. After the tour, we'll head to Seville, where we'll enjoy a panoramic city tour upon arrival. Places we will visit include Plaza de España and the Golden Tower. After the tour, transfer to our hotel and free time. Overnight stay at our hotel.

Among the sights we'll see are Plaza de España, the Golden Tower, Maria Luisa Park-famous for its fountains and gardens-and Plaza de Santa Cruz. After the tour, we'll head to Ronda with our guests. Ronda is notable for being the last castle the Moors surrendered to the Spanish as they withdrew from the peninsula. Perched atop a massive rock formation on either side of a steep limestone gorge, it is a typical white Andalusian village home to the world's oldest bullfighting arena. Sights to see include the Casa del Rey Moro, the Palacio Mondragon, and the Puente Nuevo. After the tour, we'll transfer back to our hotel for free time. Overnight stay at our hotel.

We'll explore Córdoba, founded during the Roman Empire, which experienced the golden age of Islamic culture under the Umayyad Caliphate of Al-Andalus in the 10th century and was once one of Europe's largest and most advanced cities. In this enchanting city, renowned for its rich historical fabric, narrow Arab streets, and courtyards adorned with flowers, we'll see key landmarks such as the Roman Bridge and the Cordoba Mosque (panoramic view), with its unique architecture situated in the heart of the old city, during our panoramic city tour.
