We'll meet at the international departures terminal at Istanbul Airport three hours before our flight (one calendar day before the departure date). After checking in our luggage, boarding passes, and completing check-in procedures, our flight to Bali on a Turkish Airlines scheduled flight will begin. We'll spend the night on the plane.

2. Day

BALI

Upon our arrival in Bali-Indonesia's most-visited island, famous for its beaches-we board the private bus waiting for us at the airport and are transferred to our hotel. We will be staying at our hotel.

3. Day

BALI (UBUD & KINTAMANI BATUR VOLCANO)

After breakfast at the hotel, we'll set out with our guests for our Ubud & Kintamani Mount Batur tour, which includes lunch. On this full-day excursion, we'll get an up-close look at Bali's captivating culture, handicrafts, picturesque rice paddies, traditional villages, and the breathtaking views of Mount Batur and its lake. Our first stop will be the villages of Celuk and Mas, renowned for their gold, silver, and wood carving arts. Here, we'll watch artisans carve intricate patterns into wooden blocks. After Mas Village, we'll visit Goa Gajah, known as the Elephant Cave, which dates back to the 11th century. Our next stop for lunch is the cool mountains of Kintamani. First, we'll admire and take photos of Mount Batur, with its black lava stripes descending from the summit toward Lake Batur in the valley below. Then we'll enjoy our lunch at a restaurant with a beautiful view. After lunch, on our way back, we'll stop at the Sacred Water Spring, believed to possess magical healing powers. Our tour continues to Ubud Village, the artistic heart of Bali. Among the places we'll visit are the Tegallalang rice terraces, the Ubud Art Market, Tegenungan Waterfall, and coffee plantations. After the tour, we'll be transferred back to our hotel, where you'll have free time to relax.

4. Day

BALI (BEDUGUL & TAMAN AYUN & ULUNDANU TEMPLES)

After breakfast at the hotel, we'll set out with our guests for the Bedugul, Taman Ayun, and Ulundanu Temple Tour, which includes lunch. After Taman Ayun, our journey continues toward Bedugul, located in the highlands of Bali. Bedugul is part of Bali but is completely different from other parts of the island in every way. Known as the coolest place in Bali, Bedugul has a climate that is completely different from other parts of the island. After enjoying lunch at a local restaurant amidst the lush green forests surrounding Bedugul, we'll visit Lake Bratan and the Ulundanu Beratan Temple on the lake-a site that has been featured in many films.
